**XXVII ECPD INTERNATIONAL SUMMER SCHOOL
MANAGEMENT OF HEALTHCARE INSTITUTIONS**
with the main topic

**HEALTH CRISIS AND
EMERGENCY MANAGEMENT
BASED ON EXPERIENCE WITH
COVID-19 PANDEMIC**

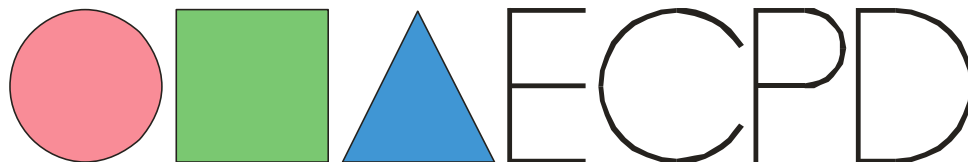

(Hotel "Splendid" – Budva, 20 – 24 June 2022)

We have the pleasure to invite you to take part in the work of our 27th **ECPD International Summer School of Management of Health Care Institutions** (hereinafter: School), which will focus, within the main theme "**Health Crisis & Emergency Management Based on Experience with COVID-19 Pandemic**", on the key topics that are continually preoccupying health managers, policy makers and executives:

- i) National Healthcare Systems Experiences in coping with COVID-19**
- ii) Current trends in health system reforms and possible health system reforms following the experience with pandemic**
- iii) Existing and new methods of financing health care and society's attitude toward health risks**
- iv) Preparation of national health care strategy and its action plan based on the economic-political, psychological and geo-strategic aspects.**

Phone: +381 11 3246-041, 3246-042, 3246-043, 2652-170 Fax: 3240-673, 3234-082, 2651-344

E-mail: ecpd@EUnet.rs, office@ecpd.org.rs

Providing safe, high quality basic health care services for all citizens is vital for every country, especially in times of major disasters, e.g. meteorological disasters or earthquakes, floods, fires and other mass disasters from global pandemic (SARS, MERS, COVID-19 etc.) to wars. All countries are facing socio-economic, political, legal and other health management challenges along the path of achieving **universal health care** in these challenging times.

This year's school focuses on **innovations in health system reforms and innovations in health system financing**, which would, prevent risks and consequences of challenges such as pandemics and global disasters, with regional and local impact on human health and economy of the community. Special emphasis will be placed on the preparation of realistic, comprehensive and balanced health policies, strategies and coordination plans, as well as on the preparation of a quality, just, rational and feasible protection package with special reference to the countries of Southeast Europe within the European continent.

Co-Directors of this year's Summer School are **Prof. Dr. Jeffrey Levett**, long-standing Dean of the National School of Public Health, Greece, International Gusi Peace Prize Laureat, **Prof. Dr. Klaus-Dirk Henke**, Chair of Health Economics and Health Management, University of Berlin, **Prof. Dr. Ana Stavljenić Rukavina**, Vice-Rector of the Libertas International University, Zagreb, former Minister of Health of Croatia, **Prof. Dr. Nebojša Kavarić**, ECPD Regional Coordinator for the Health and Environmental Studies, Montenegro, **Prof. Dr. Miodrag Todorović**, long-standing Director of the Seychelles Ministry of Health, and **Prof. Dr. Luca Rosi**, Istituto Superiore di Sanità, Italy.

The School is internationally and nationally accredited.

Program

The main topics of the School include the following:

(i) Health Sector Experience in coping with COVID-19

(ii) Mental health and psychological impact of life in and after a pandemic

Learning objectives

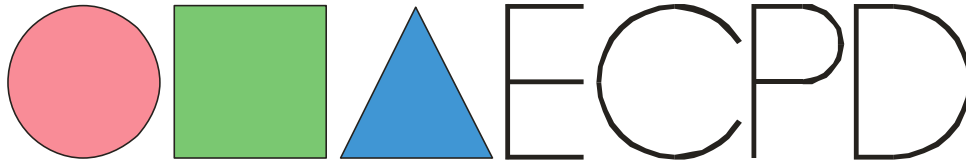

The learning objectives of the School will allow participants to acquire knowledge and information about the following:

- Steps to reforming cost restriction while maintaining high quality of health services;
- Major reform trends in the developed European countries;
- Innovation in health system reforms;
- Experience of others in financing and managing health care systems;
- Preconditions for achieving universal health care;
- Future health spending scenarios;
- Additional health resources in the form of earmarked inflows;
- Principles for the preparation of national health care strategy and its action plan;
- Mistakes and shortcomings in preparation and implementation of today's strategies and plans;
- Achieving consensus between demand and supply of services, as well as between the government, service providers and the population;
- Preparing a quality, fair and affordable health care package;
- Implementation of health care packages;
- Ethical, legal and policy issues when defining health care packages;
- Formulation of a joint strategy for the functioning of health systems in emergency conditions.

School Organization

The lectures are held every weekday, from 9 a.m. to 3 p.m. Apart from the theoretical presentations delivered by the lecturers, in the framework of each topic there will be panel discussions and case studies.

The School participants will be provided with course handouts necessary for effective lecture attendance and study after finalization of the School, as well as all authorized presentations. In order to enable participants to master the lectures successfully, simultaneous translation will be provided.

School Certificate

Based on participation during the classes and acquired knowledge and skills during the work of the School, the participants will receive a **nationally and internationally valid and accredited Certificate of the European Center for Peace and Development (ECPD) University for Peace established by the United Nations.**
